The series **INTERNATIONAL DIALOGUE ON EDUCATION BERLIN** is a joint initiative of the British Council, the German Academic Exchange Service, the German-American Fulbright Commission, the Australian Group of Eight and the Canadian Bureau for International Education in Berlin. Through the contributions of international participants the series aims to enrich the debate on science, research and higher education policy in Germany, to place German perspectives in a global context and to learn from positive examples from other countries.

This sixth event of the series focuses on doctoral studies at higher education institutions with best practice examples from Germany, Australia, Canada, the USA and the United Kingdom.

Participants must register in advance. The working language will be English.
